

32.26 Task and function declaration (supersedes P1364 26.6.18)

CHANGE the first note in this section from

1) A Verilog HDL function shall contain an object with the same name, size, and type as the function.

TO

1) A Verilog HDL function shall contain an object with the same name, size, and type as the function. [This object shall be used to capture the return value for this function.](#)
